

# Trisus<sup>®</sup> Reference

## Add-ons for Authoritative Coding Intelligence

### Elevate Coding Accuracy. Reduce Denials. Work Smarter.

**Trisus Reference** integrates the industry's most trusted coding guidance directly into your daily workflow—giving coders, auditors, and compliance teams instant access to authoritative answers when guidelines alone aren't enough.

### AHA Coding Clinics<sup>®</sup> for ICD<sup>®</sup>

**Official guidance. Immediate answers. Confident coding.**

The AHA Coding Clinics for ICD is the official source for interpreting ICD-10-CM, ICD-10-PCS, and legacy ICD-9-CM coding. When standard classifications fall short, AHA Coding Clinics delivers authoritative clarification to ensure accurate and compliant code assignment.

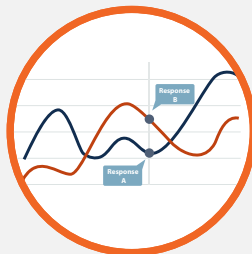

#### Integrated Benefits in Trisus Reference:

**Full access** to the complete AHA Coding Clinic archive

**Search** by keyword, code, or publication date

**Resolve** complex coding questions quickly

**Improve** documentation accuracy and compliance

**Reduce** coding errors and claim denials

### AHA Coding Clinics<sup>®</sup> for HCPCS

**Definitive solutions for complex HCPCS coding scenarios.**

The AHA Coding Clinics for HCPCS provide expert guidance when CPT and HCPCS Level II rules are unclear—helping teams code confidently in challenging situations with payor and compliance implications.

#### Integrated Benefits in Trisus Reference:

**Complete** archive of AHA Coding Clinic newsletters

Fast, intuitive **search** by keyword, code or date

**Practical** interpretations and real-world solutions

Supports **compliant** coding and cleaner claims

## ZHealth Interventional Radiology Coding Reference

Physician-developed expertise for IR coding clarity.

Developed by physicians at ZHealth Publishing, this trusted resource simplifies vascular and nonvascular interventional radiology coding. It provides step-by-step explanations of CPT and HCPCS coding rules, organized by procedure and anatomy.

Integrated Benefits in Trisus Reference:

**Direct access** from code detail pages or full e-book

**Search** by keyword, code, or chapter

**Detailed** illustrations and real-world examples

Built for **both** hospital and physician coding

**Supports** compliant, accurate charge capture

## AMA CPT® Assistant

Official CPT guidance—now at your fingertips.

CPT Assistant is the AMA's official resource for accurate CPT code application. Written by physicians and coding experts, it delivers authoritative interpretations, clinical explanations, and official guidance essential for compliance.

Integrated Benefits in Trisus Reference:

**Complete** CPT Assistant archive dating back to 1990

**Search** by keyword, code, article title, or issue date

**Access** official interpretations, coding tips, and examples

**Includes** illustrations, charts, and procedural guidance

**Ideal** for denials, audits, education, and validation

## One Platform. Trusted Answers. Better Outcomes.

Official CPT guidance—now at your fingertips.

With Trisus Reference and its powerful add-ons, healthcare organizations gain a single, integrated source for authoritative coding intelligence—driving efficiency, accuracy, and compliance across the revenue cycle.
