provided that such authority, unless renewed, varied or revoked by the Company, shall expire on 31 December 2027 or, if earlier, at the conclusion of the next Annual General Meeting of the Company after the passing of this resolution save that the Company may before such expiry make an offer or agreement which would or might require equity securities to be allotted after such expiry and the directors may allot equity securities in pursuance of such an offer or agreement as if the authority conferred hereby had not expired.

This resolution revokes and replaces all unexercised authorities previously granted to the directors to allot shares in the Company and to grant rights to subscribe for, or to convert any security into shares in the Company but is without prejudice to any allotment of shares or grant of rights already made, offered or agreed to be made pursuant to such authorities.

- (b) the directors be and are authorised to establish further plans based on the Unapproved Plan but modified to take account of local tax, exchange control or securities laws in overseas territories, provided that any shares made available under such further plans are treated as counting against the limits on individual or overall participation in the Unapproved Plan.

SPECIAL RESOLUTIONS

To consider and, if thought fit, to pass the following resolutions as special resolutions:

16. THAT, if resolution 13 is passed, the board of directors of the Company be authorised to allot equity securities (as defined in the Companies Act 2006) for cash under the authority given by that resolution and/or to sell ordinary shares held by the Company as treasury shares for cash as if section 561 of the Companies Act 2006 did not apply to any such allotment or sale, such authority to be limited:

such authority to expire at the conclusion of the next Annual General Meeting of the Company (or, if earlier, at close of business on 31 December 2027) but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the board of directors of the Company may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

17. - (b) limited to the allotment of equity securities or sale of treasury shares (otherwise than under paragraph (a) above) up to a nominal amount equal to 20% of any allotment of equity securities or sale of treasury shares from time to time under paragraph (a) above, such authority to be used only for the purposes of making a follow-on offer which the board of directors of the Company determines to be of a kind contemplated by paragraph 3 of Section 2B of the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice,

such authority to expire at the conclusion of the next Annual General Meeting of the Company (or, if earlier, at the close of business on 31 December 2027) but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the board of directors of the Company may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

18. THAT the Company be and is hereby generally and unconditionally authorised for the purposes of section 701 of the Companies Act 2006 to make market purchases (within the meaning of section 693(4) of the Companies Act 2006) of ordinary shares of 1 pence each in the Company provided that:-
- (a) the maximum number of ordinary shares which may be purchased is 3,438,096 (representing 10 per cent of the Company's issued ordinary share capital, excluding treasury shares, as at the latest practicable date prior to the printing of the Notice of Annual General Meeting of which this resolution forms part);
 - (b) the minimum price (exclusive of expenses) which may be paid for each ordinary share is an amount equal to 1 pence;
 - (c) the maximum price (exclusive of expenses) which may be paid for each ordinary share is an amount equal to 105 per cent of the average of the middle market quotations of an ordinary share of the Company taken from the AIM supplement of the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which the share is contracted to be purchased;
 - (d) this authority shall expire (unless previously renewed, varied or revoked by the Company in general meeting) on 31 December 2027 or, if earlier, at the conclusion of the next Annual General Meeting of the Company to be held in 2027; and
 - (e) the Company may, before such expiry, enter into one or more contracts to purchase ordinary shares under which such purchases may be completed or executed wholly or partly after the expiry of this authority and may make a purchase of ordinary shares in pursuance of any such contract or contracts.

EXPLANATORY NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING

Resolutions 3 to 10 — Re-election of directors

These resolutions relate to the re-election of directors of the Company. In accordance with the recommendations of The UK Corporate Governance Code (January 2024 version) (the 'Code'), all directors retire at the AGM and those wishing to serve again submit themselves for re-election by the shareholders. The Company has adopted the Code as its corporate governance framework against which it has reported in respect of the 2026 Annual Report.

Biographical details of each director standing for re-election can be found on pages 68 and 69 of the 2026 Annual Report together with their skills and experience, which support the reasons why their contributions are, and continue to be, important to the Company. The Board of Directors supports the re-election of each director who is standing for re-election by the shareholders at the AGM. The Board considers that the performance and contribution of each director continues to be effective and each director demonstrates commitment to their role with the Company.

The Board reviews on an annual basis the independence of each non-executive Director. In making this assessment, in addition to considering Provision 10 of the Code, the Board determines whether the Director is independent in character and judgement and whether there are relationships or circumstances which are likely to affect, or could appear to affect, the Director's judgement. The Board has not identified any matters that would affect the independence of the non-executive directors. The Board acknowledges the factors contained in Provision 10 of the Code.

Resolution 13 — Allotment Authority

In line with guidance issued by the Investment Association, the authority contained in paragraph (a) of this resolution will (if passed) give the directors authority to allot ordinary shares in connection with a rights issue in favour of ordinary shareholders up to an aggregate nominal amount equal to £229,206.39 (representing 22,920,639 ordinary shares) as reduced by the nominal amount of any shares issued under paragraph (b) of this resolution. This amount (before any reduction) represents approximately two-thirds of the issued ordinary share capital (excluding treasury shares) of the Company as at the latest practicable date prior to publication of the Notice of Annual General Meeting.

The authority contained in paragraph (b) of this resolution will (if passed) give the directors of the Company the authority to allot ordinary shares up to an aggregate nominal value of £114,603.19 (representing 11,460,319 ordinary shares of 1p each). This amount represents approximately one-third of the issued ordinary share capital (excluding treasury shares) of the Company as at the latest practicable date prior to the publication of the Notice of the Annual General Meeting. This authority will expire on 31 December 2027 or, if earlier, at the conclusion of the next Annual General Meeting.

Resolutions 14 and 15 — Establishing new company share option plans

The Company adopted the Craneware plc Schedule 4 Company Share Option Plan (2016) and the Craneware plc Unapproved Share Option Plan (2016) (the "Old Option Plans") in November 2016 pursuant to which employees (including executive directors) could be granted options to acquire shares in the Company. As a reminder, the Unapproved Share Option Plan includes a US sub-plan which enables the grant of share options to US employees within the group.

As the Old Option Plans are now approaching the tenth anniversary of their original adoption date (after which no further grants can be made under their terms), the Company's Remuneration Committee (the "Committee") has recently undertaken a review to determine what terms of the Old Option Plans could and/or should be adjusted to:

- continue to support and reflect the current strategic objectives of the business; and
- appropriately reflect the most up-to-date market practice in incentive scheme design amongst comparable AIM companies.

The main conclusion from the above exercise was that the Committee remains satisfied that the basic structure of the Old Option Plans continues to represent an effective mechanism for incentivising and rewarding Craneware's employees and aligning their interests with those of its shareholders. In recent years options have not been granted pursuant to the Old Option Plans to executive directors of the Company and the Committee's current intention is to continue to use the Company's long-term incentive plan for this purpose.

Accordingly, Resolutions 14 and 15 seek authority from shareholders to adopt the following new plans as direct replacements for the Old Option Plans:

- The Craneware plc Schedule 4 Company Share Option Plan (2026) (the "Schedule 4 Plan") which will allow for the grant of tax advantaged options to UK based participants over shares worth up to £60,000 per individual; and
- The Craneware plc Unapproved Company Share Option Plan (2026) (the "Unapproved Plan") which will be used to grant options where the above limit has been reached or where the relevant individual is based overseas.

For the avoidance of doubt, if, in any year, executive directors are given a "mix" of LTIP awards and options under the Schedule 4 / Unapproved Plans, the individual limits on participation would take into account both forms of grant.

The principal terms of the Schedule 4 Plan and the Unapproved Plan are summarised in the Appendix.

Resolution 16 — Disapplication of Pre-emption Rights

If new shares are to be allotted for cash, section 561 of the Companies Act 2006 requires that those shares are offered first to existing shareholders pro rata to their holdings. These pre-emption provisions also apply to the sale of treasury shares by the Company. However, it may be in the interests of the Company for the directors to allot shares and/or sell treasury shares other than to shareholders in proportion to their existing holding or otherwise than strictly in compliance with those requirements. This resolution would allow the directors, pursuant to section 570 of the Companies Act 2006, to allot shares and/or sell treasury shares for cash without first offering them to shareholders pursuant to their statutory pre-emption rights. The authority sought by paragraph (a) of resolution 16 would, if granted, be limited to allotments or sales in connection with pre-emptive offers to ordinary shareholders in connection with rights issues and similar offerings, where difficulties arise in offering shares to overseas shareholders, and in relation to fractional entitlements and other technical matters.

The authority sought by paragraph (b) of resolution 16 would, if granted, relate generally to allotments (other than in respect of pre-emptive offerings) of ordinary shares or the sale of treasury shares having an aggregate nominal value not exceeding £34,380.96 (representing 3,438,096 ordinary shares). This aggregate nominal amount represents approximately 10% of the issued ordinary share capital of the Company (excluding treasury shares) as at the latest practicable date before publication of the Notice of the Annual General Meeting. The authority sought by paragraph (c) of resolution 16 would, if granted, relate to allotments (other than in respect of pre-emptive offerings) of ordinary shares or the sale of treasury shares on a follow-on offer which the board of directors of the Company determines to be of a kind contemplated by paragraph 3 of Section 2B of the Statement of Principles on Disapplying Pre-emption Rights most recently published by the Pre-emption Group prior to the date of this notice.

The authority given under resolution 16 will expire on 31 December 2027 or, if earlier, at the conclusion of the next Annual General Meeting of the Company.

Resolution 17 – Disapplication of Pre-emption Rights

The authority sought by paragraph (a) of resolution 17 would, if granted, give the directors of the Company authority to issue ordinary shares, or sell treasury shares, for cash in connection with an acquisition or capital investment of a kind contemplated by the Pre-Emption Group's Statement of Principles, up to an additional aggregate nominal amount of £34,380.96 (representing 3,438,096 ordinary shares). This aggregate nominal amount represents approximately 10% of the issued ordinary share capital of the Company (excluding treasury shares) as at the latest practicable date before publication of the Notice of the Annual General Meeting. The authority sought by paragraph (b) of resolution 17 would, if granted, relate allotments (other than in respect of pre-emptive offerings) of ordinary shares or the sale of treasury shares on a follow-on offer which the board of directors of the Company determines to be of a kind contemplated by paragraph 3 of Section 2B of the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice.

The board of directors confirm that they will only allot shares pursuant to this authority where the allotment is in connection with the financing (or refinancing, if the authority is to be used within 12 months after the original transaction) a transaction which the board of directors determines to be either an acquisition or a specified capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice of Annual General Meeting.

The authority given under resolution 17 will expire on 31 December 2027 or, if earlier, at the conclusion of the next Annual General Meeting of the Company.

Resolution 18 – Purchase of own shares

The board of directors of the Company is committed to managing the Company's capital effectively and the directors believe that it is in the interests of the Company and its members to continue to have the flexibility to purchase its own shares. This resolution seeks authority from members to do so. The directors only intend to exercise this authority when, after considering market conditions prevailing at the time, they believe that the effect of such exercise would be to increase the earnings per share and be in the best interests of shareholders generally.

The effect of such purchases would either be to cancel the number of shares in issue or the directors may elect to hold them in treasury pursuant to Chapter 6 of Part 18 of the Companies Act 2006.

Certain listed companies may hold shares in treasury, as an alternative to cancelling them, following a purchase of own shares by a company in accordance with the Companies Act 2006. Shares held in treasury may subsequently be cancelled, sold for cash or used to satisfy share options and share awards under a company's employee share scheme. Once held in treasury, a company is not entitled to exercise any rights, including the right to attend and vote at meetings in respect of the shares. Further, no dividend or other distribution of the company's assets may be made to the company in respect of the treasury shares. The Company currently holds 1,161,211 of its ordinary shares in treasury; those shares were purchased by the Company through the share buyback programme which commenced in March 2026 and was completed in May 2026.

This resolution renews the authority given at the Annual General Meeting held on 21 November 2025 and would be limited to 3,438,096 ordinary shares, representing approximately 10 per cent of the issued share capital (excluding treasury shares) at the latest practicable date prior to the printing of the Notice of Annual General Meeting of which this resolution forms part.

APPENDIX TO THE NOTICE OF ANNUAL GENERAL MEETING

OPTION PLANS – SUMMARY OF PRINCIPAL TERMS

Introduction

1. The Craneware plc Schedule 4 Company Share Option Plan (2026) (the "Schedule 4 Plan") and The Craneware plc Unapproved Company Share Option Plan (2026) (the "Unapproved Plan") are discretionary arrangements and will be administered by the remuneration committee of the Board (the "Remuneration Committee" or the "Committee").

It is intended that the Schedule 4 Plan will comply with the requirements of Schedule 4 to the Income Tax (Earnings and Pensions) Act 2003 ("Schedule 4") and may be used to grant tax-favoured "market value" options ("Options") over the Company's ordinary shares ("Shares") to selected employees of the Company and its wider group (the "Group"). To the extent that the Committee proposes to grant options in excess of the Schedule 4 limit (currently £60,000 worth of Shares), these can be granted pursuant to the Unapproved Plan, which is largely identical to the Schedule 4 Plan except for the absence of this limit.

Eligibility

2. Any employee (including an executive director) of the Group will be eligible to be granted Options under the Schedule 4 Plan and/or the Unapproved Plan (together, the "Option Plans") at the discretion of the Committee.

Options are personal to the participant and, subject to the rights of a participant's personal representatives, may not be transferred.

Grant of Options

3. Options may normally be granted within the period of forty-two days after:
 - the date on which the Option Plans are first adopted by the Company's board of directors; or
 - a results announcement by the Company in any year.

Additionally, Options may also be granted on any day on which the Committee resolves that exceptional circumstances exist which justify the making of such grants.

No Options will be granted more than ten years after shareholder approval of the Option Plans. No payment is required for the grant of an Option. Options are not pensionable.

Exercise Price

4. The price payable for each Share on the exercise of an Option will be specified by the Committee but will not be less than the higher of:
 - the market value of a Share on the date of grant; and
 - (for newly issued Shares) their nominal value.

For the above purposes, the market value of a Share on the date of grant will be equal to its closing middle market quotation (as derived from the London Stock Exchange Daily Official List) for the immediately preceding dealing day (or, if the Remuneration Committee so determines, the average of such quotations for the three dealing days immediately preceding the date of grant).

Individual Limits

5. No person may at any time hold options granted under the Schedule 4 Plan (or any other non savings-related tax favoured option scheme operated by the Group) over Shares having a total market value at the time of grant of more than £60,000.

Save as specified below, the maximum total market value (at date of grant) of Shares over which an individual may be granted Options under the Schedule 4 Plan and the Unapproved Plan (and any other discretionary share scheme operated by the Company, including the LTIP ("Other Discretionary Awards")) in any financial year will not exceed 150% of their annual base salary in that financial year. Within this limit, the value of Shares over which an Option is granted will be determined at the sole discretion of the Committee.

Options of up to 200% of salary may, however, be granted to a participant in a single financial year if the Committee determines that there are exceptional circumstances (including, for example, recruitment), which limit is also inclusive of Other Discretionary Awards.

Performance Conditions

6. The Remuneration Committee may (and, in the case of any awards granted to the Company's executive directors, will) make the exercise of an Option subject to objective performance conditions.

The Remuneration Committee will have the power to vary the terms of any performance conditions attaching to an outstanding Option in exceptional circumstances, provided that the amended conditions are, in their opinion, neither materially easier nor more difficult to achieve than the original performance conditions as envisaged by the Remuneration Committee at the date of grant of that Option.

The Committee will have an overarching discretion to adjust (upwards or downwards) the level of vesting resulting from the application of any relevant performance conditions where it is of the view that such results are not a fair and accurate reflection of business performance, the participant's personal performance and/or such other factors as the Committee may consider appropriate.

Exercise and Lapse of Options

7. Options will generally vest and become capable of exercise on such date or dates as the Committee may specify at the date of grant and then only if, and to the extent that, any applicable performance conditions have been satisfied.

Options will lapse on the tenth anniversary of the date of grant or sooner on the occurrence of certain corporate events or where the participant ceases to hold employment with the Group (subject to certain exceptions, details of which are set out below).

Shares will normally be transferred or allotted on the exercise of an Option within thirty days of the date of exercise.

Options will not confer any shareholder rights unless and until they have vested and been exercised and the participants have received their Shares.

Source of Shares and dilution limit

8. Options may be satisfied either by the issue of new Shares, the transfer of Shares from treasury or the transfer of existing Shares purchased in the market. Any Shares that are allotted when an Option is exercised will rank equally with Shares then in issue (except for rights arising by reference to a record date prior to their allotment).

In any ten-year period, the Company may not issue (or grant rights to issue) more than 10% of the issued ordinary share capital of the Company under the Option Plans and any other employee share plan adopted by the Company.

For the purpose of the above limit:

- treasury Shares will count as new issue Shares unless institutional investors decide that they need not count; and
- no account will be taken of any Shares where the right to acquire them was released or lapsed prior to vesting / exercise.

Malus

9. Options may be reduced (including to nil) at any time before they vest if the Committee determines that one or more of the following circumstances arises or comes to light:
- the relevant participant's employment with the Group is summarily terminated (or, in the opinion of the Committee, could have been summarily terminated) for any reason including, but not limited to, dishonesty, fraud, misconduct, misrepresentation or breach of trust; or
 - the relevant participant has breached any applicable anti-bribery or anti-corruption laws; or
 - the Company or any other Group member becomes insolvent or otherwise suffers a corporate failure so that the value of Shares is materially reduced, provided that the Committee determines following an appropriate review of accountability that the relevant individual should be held responsible (in whole or in part) for that insolvency or corporate failure; or
 - any other circumstances arise where, in the Committee's reasonable opinion, any act or omission of the relevant individual has caused, or is reasonably expected to cause, significant damage to the business interests or reputation of the Company or any other Group member.

Clawback

10. During the period of two years following vesting, the Committee may apply clawback to all or a proportion of the Shares received by a participant in connection with their Option in substantially the same circumstances as apply to malus (as described above) and the following additional circumstances:
- the material misstatement of the Company's financial results for whatever reason affecting the level of vesting of an Option; or
 - the discovery that the number of Shares over which the Option vested was based on an error or on the basis of any information or assumption that the Committee subsequently discovers to have been inaccurate or misleading.

Clawback may be effected, among other means, by requiring the transfer of Shares back to the Company or as it directs, payment of cash or reduction of outstanding or future awards.

Cessation of employment

11. As a general rule, an unexercised Option will lapse immediately if the participant ceases to be an employee of the Group.

However, a participant will be treated as a "good leaver" if such cessation occurs by reason of injury, disability, retirement, redundancy, their employing company or the business for which they work being sold out of the Group or in other circumstances at the discretion of the Committee.

The treatment of an Option in these good leaver circumstances will depend upon whether it has already vested and, if it has not, whether it remains subject to any outstanding performance conditions at the date of termination. In summary:

- an Option which has already vested will remain exercisable for a period of 12 months from cessation of employment;
- an Option which has not vested but which is not subject to outstanding performance conditions will become exercisable for a period of 12 months from cessation; and
- an option that is subject to outstanding performance conditions will continue to vest at the end of the original performance period but only if, and to the extent that, those conditions have been satisfied at that time. Alternatively, in the case of an award granted under the Unapproved Plan, the Remuneration Committee can determine that such an Option will vest at the date of cessation of employment (subject to the satisfaction of the applicable performance conditions at that time). In either of these cases, options will remain exercisable for a period of 12 months from vesting.

Where an Option vests pursuant to the above provisions, the number of Shares over which it may be exercised will, unless the Remuneration Committee determines otherwise, be reduced pro-rata by reference to the unexpired portion of the original vesting period as at the date of cessation of employment.

Finally, if a participant dies then their Option may be exercised during the following period of 12 months, but only to the extent that it had already vested prior to the date of death (or to such greater extent as the Remuneration Committee permits).

Corporate events

12. In the event of a takeover or winding up of the Company all Options will vest early but in respect of such number of shares as the Committee shall determine having regard to such factors as they deem appropriate, which could include:
- the level of achievement against any outstanding performance conditions;
 - the underlying performance of the Company;
 - the particular circumstances of the transaction;
 - the proportion of the period, between the date of grant of the Option and its originally anticipated vesting date, that has expired at the date of the event; and
 - the overall interests of shareholders.

As an alternative to the above provisions, the Committee may, in connection with certain types of takeover (including an internal corporate reorganisation), require a participant to surrender their existing rights under the Option Plans in consideration for the grant to him/her of equivalent rights over shares in the acquiring company (or a member of its group).

If a demerger, special dividend or other similar event is proposed which, in the opinion of the Remuneration Committee, would affect the current or future value of Options, then the Committee may decide that such Option will vest on the basis which would apply in the case of a takeover as described above.

Variation of capital

13. In the event of any capitalisation issue, rights issue, open offer, consolidation, subdivision or reduction of capital, demerger or any other event affecting the share capital of the Company, the number and/or nominal value of Shares comprised in Options may be adjusted by the Remuneration Committee.

Amendments to the Option Plans

14. The Committee may, at any time, amend the provisions of the Option Plans in any respect, provided that the prior approval of shareholders is obtained for any amendments that are to the advantage of participants in respect of the rules governing eligibility, limits on participation, the overall limits on the issue of Shares or the transfer of treasury Shares, the basis for determining a participant's entitlement to, and the terms of, the Shares to be acquired and the adjustment of Options.

The requirement to obtain the prior approval of shareholders will not, however, apply to any minor alteration made to benefit the administration of the Option Plans, to take account of a change in legislation or to obtain or maintain favourable tax, exchange control or regulatory treatment for participants or for any company in Group.

Prior shareholder approval will also not be required for any amendment to performance conditions applying to an Option provided that the amendments are within the parameters of the adjustment powers of the Option Plans relating to the amendment of performance conditions where relevant.

Overseas jurisdictions

15. The rules of the Unapproved Plan will include a "sub-plan" for US residents and the maximum number of Shares which may be subject to any Incentive Stock Options (as defined in Section 422 of the US Internal Revenue Code of 1986, as amended) granted thereunder is 3,554,216 Shares.

The Committee may develop and approve other overseas jurisdiction variants to the Option Plans under the terms of which Options may be made in such a way as to satisfy or take advantage of securities and tax legislation in such jurisdictions. Any plan variants will otherwise be of similar structure and economic intent as the main Option Plans and any Options granted pursuant to their terms will count towards the overall plan limits described above.

Explanatory Notes:

1. **Entitlement to Appoint a Proxy:** As a member of the Company you are entitled to appoint a proxy to exercise all or any of your rights to attend, speak and vote at a general meeting of the Company. You can only appoint a proxy using the procedures set out in these notes.
2. **Identity of Proxy:** A proxy does not need to be a member of the Company but must attend the meeting to represent you. If you sign and return this proxy form with no name inserted in the box, the Chair of the meeting will be deemed to be your proxy. To appoint as your proxy a person other than the Chair of the meeting, insert their full name in the box.
3. **Appointment of Proxy via CREST:** CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. In order for a proxy appointment or instruction made using CREST service to be valid, the appropriate CREST message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must be transmitted so as to be received by MUFG Corporate Markets (ID RA 10) not less than 48 hours (excluding days that are not business days) before the time fixed for the AGM (i.e. by 10am on 25 November 2026). Please refer to the notes of the notice of the meeting for further information on proxy appointments through CREST.
4. **Attendance by member at meeting:** Submission of a form of proxy does not preclude you from attending the meeting and voting in person. If a member has appointed a proxy but wishes to attend the meeting in person, the member will be permitted to do so and the proxy appointment will automatically be terminated.
5. **Appointment of multiple proxies:** A member is entitled to appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him. If you wish to appoint more than one proxy, please photocopy this form and insert in each form the name of the relevant proxy and the number of shares in respect of which that proxy is appointed.
6. **Directions on how to vote:** To direct your proxy how to vote on the resolutions, mark the appropriate box with an 'X'. To abstain from voting on a resolution, select the relevant "Vote withheld" box. A vote withheld is not a vote in law which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at their discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the meeting.
7. **Joint Holders:** In the case of joint holders any one may sign this proxy form, but the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders. Seniority is determined by the order in which the names stand in the Company's Register of Members (the first-named being the most senior). In the case of a member which is a company, this proxy must be signed by two directors or given under the hand of an officer or attorney duly authorised.
8. **Return of proxy to the Company:** To be valid this proxy together with any power of attorney or other authority (if any) under which it has been signed must be completed and signed and must be received by MUFG Corporate Markets, PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL, UK, not less than 48 hours (excluding days that are not business days) before the time appointed for the meeting (i.e. by 10am on 25 November 2026).

10. **Submission of more than one valid proxy appointment:** If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.
11. **Appointment of Proxy online:** You may appoint a proxy and submit your proxy vote online at www.mycranewareshares.com/welcome instead of using this form. Alternatively, you may via the VOTE+ app (please refer to the notes of the notice of the meeting for further information). Dear Shareholder

Craneware plc (the 'Company') would like to offer you the opportunity, if you so wish, to elect to receive dividends from the Company in US Dollars. Dividends will be declared and paid in sterling unless a valid election is received or has already been received for US Dollars. If no valid election is received you will continue to receive your dividend payments in sterling. If you already have a valid election for US Dollars in place, this will remain in place unless you contact MUFG Corporate Markets to cancel it.

As you hold your ordinary shares in uncertificated form in CREST, you may elect to receive your dividends in US Dollars by means of the CREST procedures to effect such an election referred to below. If you are a CREST Personal Member, or other CREST Sponsored Member, you should consult your CREST sponsor, who will be able to take the appropriate action on your behalf. **MUFG Corporate Markets will not accept a paper election for shareholders in CREST.**

The CREST procedures require the use of the Dividend Election Input Message in accordance with the CREST manual. The message includes the following fields which, for a valid election to be made, must be correctly input as indicated below and submitted in order for it to be received no later than the dividend record date for which it is to apply (in the present case, 4 December 2026).

- (i) Dividend Election Reference - you must indicate here a reference for the dividend election which is unique to your CREST participant ID;
- (ii) Account ID - If you have more than one member account, you must indicate the member account I.D. to which the election relates: the relevant account must be enabled (a) at the time your Dividend Election Input Message is entered into CREST, and (b) on the relevant dividend payment date;
- (iii) ISIN - This is GB00B2425G68;
- (iv) Evergreen - This field must be entered with the flag set to yes. This requests the Company to apply your election to the current dividend and to all future dividends in respect of your entire shareholding in CREST at each relevant record date until (a) you delete your Dividend Election Input Message and that deletion is accepted in accordance with the CREST procedures on behalf of the Company, (b) you transfer your shareholding in CREST or convert it into certificated form, or (c) the facility is withdrawn by the directors;
- (v) Corporate Action Number - This is not to be input;
- (vi) Distribution type - You must enter "currency" here;
- (vii) Currency code - This is USD;
- (viii) Number of shares - Partial elections are not permitted. If this field is completed the message will be rejected;
- (ix) Contact details - this field is optional, although you are asked to include details of whom to contact in the event of a query relating to your election.

A valid election made by means of Dividend Election Input Message will, to the extent it relates to shares held in uncertificated form at any given record date, supersede all previous written elections made in respect of holdings in the same member account.

You may only revoke an election which has been made by a Dividend Election Input Message by utilising the CREST procedures for deletions described in the CREST Manual. The deletion will be valid in relation to the then current dividend only if the deletion is accepted, in accordance with the CREST procedures, by or on behalf of the Company prior to the relevant record date. It is recommended that you input any deletion message 48 hours in advance of this deadline to give the Company or its agent sufficient time to accept the deletion. There is no facility to amend an election which has been made by Dividend Election Input Message. If you wish to change your election details, you must first delete the existing election as described above and then input a Dividend Election Input Message with the required new details. Any attempts to send a new Dividend Election Input Message, where an existing Dividend Election Input Message is present and has not been deleted, will be rejected.

Yours faithfully,

Jill Goldsmith
